Refunds:

Once registration is closed, there are no refunds. This helps to create a roster for the coaches and support teams to know how many participants they will have for the season. It also allows the students to have enough training before their first game. Refunds are not provided throughout the season since the payments support administrative/ legal fees and services to maintain Fishe Soccer open. The fees also help with the purchasing of updated equipment each season, as well as, the end of the season incentives.
